Dear OT:

Mr. Knoff of the Milwaukee Journal suggested to me at the recent QSO party that he thought your club would like to handle the program at one of our regular meetings. You will remember a meeting of this type last year which your fellows managed and which was a big success. This meeting was surely appreciated by our entire membership.

As you know, our meetings are held on the second and last Thursdays of the month. Mr. Knoff suggested that we have this special meeting on the last Friday, April 24th.

Now, I'll let the rest to you. Please write me at your convenience with all the definite material.

Yours as ever,

H. J. Paesch,
Secretary.
